Welcome to the 62nd annual Lazy JS Ranch Production Sale. This is our last set of foals by Starlights Boon and we are also offering four really nice broodmares for sale along with the foals as we are in a drought, so our loss is your gain.

We have been fortunate over the years to have raised some really good horses that have

excelled on the ranch and in arenas across the country; most of our mares have been ridden and used for ranch work on our place as well. Since we try to use the mares on the ranch before breeding, we can be more selective in our program. We have bred World Show Qualifiers, Working Cow Horse and Snaffle Bit winners as well as reining, roping and barrel race winners. We are an AQHA Ranching Heritage Breeder, so our foals are eligible for those events if you show.

We strive to instill foundational training on the colts, working hard to make sure they are well halter broke when you take them home. They will have been tied and are vaccinated, dewormed and Coggins tested by sale day.

We welcome back Carter Acres, Stearns Quarter Horses, Bob and Jan Quickstad, and TC Quarter Horses as guest consignors. The sale will be broadcast via The Livestock Link if you can't be ringside. Directions to register are on page 27 or at www.thelivestocklink.com. Please note that Internet Explorer will not work with the video streaming. Please be sure to use a modern browser like Chrome, Safari or Edge

Please check out our websites at www.lazyjsranch.com and www.carteracres.com and view videos of most of the colts on www.facebook.com/lazyjsranch.

We look forward to seeing you on sale day! Make sure to come view the colts with their mothers at the ranch and join us for lunch and of course, pie and coffee, on Saturday, August 21! Visitors are always welcome, so if you are in the area or passing through, please stop by. The coffee is always on and we'd love to have you!

GBED N/G

Super athletic grandson of The Flying Saint. The Saint was a grand champion at halter and a race winner. He sired World Show qualifiers, ROMs, a Justin Rookie of the Year, and Solid Gold Barrel Race winners. Emperor's dam was one of the best producers we purchased from Stearn's Quarter Horses. She was an own daughter of AQHA Champion Mr Bar Pat Star who goes back to the great Oklahoma Star. Emperor's colts have big hips, pretty heads, and are extremely correct with a very trainable mind.

5 PANEL N/N

Remington is a beautiful bay roan stallion we chose to replace his sire LJSR Poco Hook. We knew he'd be an asset as we kept two full siblings before him. Tressa rides a full brother and his full sister is LJSR Roan Chinook, one of the best young mares on the ranch. He was started by Tucker Dale and he said he was easy going and took things in stride. We are sure pleased with our first foal crop by Remington. They all have great dispositions, are well balanced, and refinement where needed.

LJSR POCO HOOK

WMF ULTIMA

REFERENCE SIRE

Starlights Boon is a smooth moving, cowy, and athletic son of Starlights Lenny who earned \$4,890 and his NCHA COA. Grays Starlight is an all time leading sire of over \$10 million in cutting, reining, and cow horse events and has proven to be one of the most versatile sires in the industry. Peptos Stylish Oak is the sire of nearly \$4 million in cutting earners. Boon's dam is a good sized mare standing at 15 hands and she is a full sister to the 2008 Colorado Reined Cowhorse Fall Futurity Champion, Peptos Pretty Pep. This will be the last set of foals to be offered by Boon.

INTRODUCING IN 2022

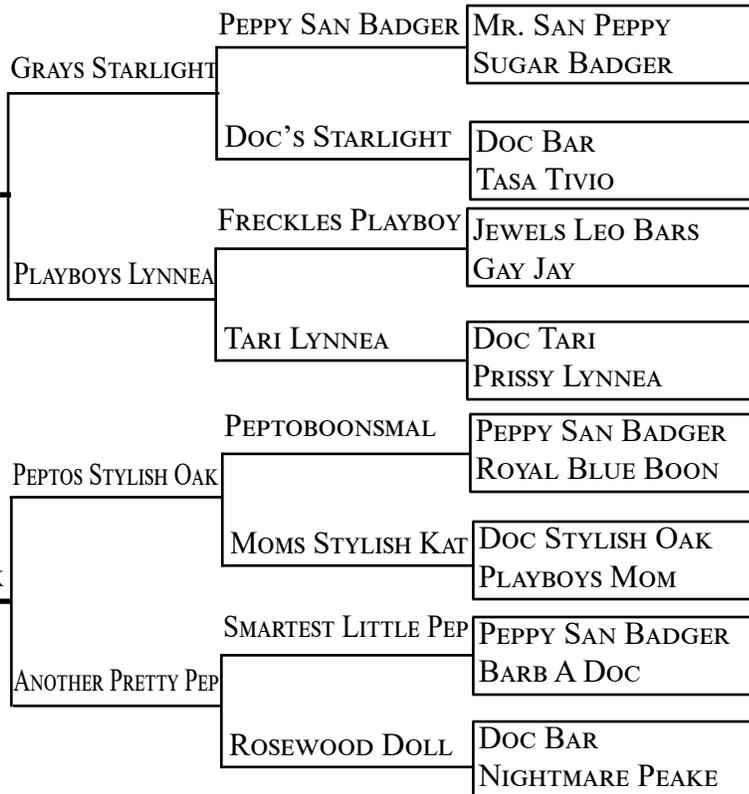

We selected this exciting prospect from the great Sampson Family Ranch as we like what the offspring of Irish Pay have to offer. They have great dispositions, speed, cow, and are good looking. Combine that with the diversity maternal grandsire Peptos Blueprint is siring, we feel that "Whiskey" has the genetic tools to sire winners in roping, barrels, cowhorse events and everything in between. Kevin Rahn, Rahn Performance Equine, started him last November and rode him through calving season. He says that "Whiskey has proven to have all of his favorite traits from his sire. He's smart, willing, athletic, and kind." We feel that Whiskey has all the tools to be a great sire for our program and eagerly await his first foal crop in 2022.

We are grateful for another opportunity to come together as family and offer, what we think, is an outstanding set of colts with several stallion prospects among them. It's been difficult to choose who to keep; a good problem to have! Upon enrollment, Skye's foals are eligible for the Iowa Ranch Horse Breeder's Futurity in 2022 and should be competitive. Remember that online and phone bidding is available and we'll consider partial delivery if arrangements are made prior to the sale. Please join us for an open house to see the foals with their moms and the stallions on **Saturday, August 14, 2021 from 5-8 p.m.**

REFERENCE SIRE

RC has done a superior job for us this year. His colts are absolute powerhouses but also striking in conformation and correctness. Take a look; we think you'll agree. Tracing back to AQHA Champion, The Continental, Superior Halter Horse, Robert Redford and one of the top working ranch horse lines in Blue Valentine, RC's colts are the full package deal and have incredible dispositions to boot.

Home-raised, it's so exciting to see the first set of Skye's foals starting training. With limited work so far, they appear to be very athletic and quick to learn--exactly like we'd hoped. We believe he's sired some of the very best we've ever raised and hope you like them as well as we do! With a stellar ranch horse pedigree on the top side and a full brother to Shining Spark (Genuine As Diamonds) on his maternal side, Skye's foals will be versatile enough for the arena or the ranch.

Thank you to the Silha Family for inviting us to sell with them again. The weather conditions were not in our favor this year, but that didn't stop these babies from developing into lookers. They are all eating pellets and will be Coggins tested by sale day. I have all the papers except Lovers Secret Love and I am guessing it went to the U.K. I will have it by sale day. Remember I am an amateur photographer. And my subjects did not cooperate well. Colts will look different by sale day anyway. The colts will have all been haltered and handled by sale day and have all their papers to travel.

REFERENCE SIRE

Copper Gold Jackson (aka Bub) produces big boned, powerful offspring. He is a gentle giant and passes this trait to his offspring. The colts are solid boned and muscular, so they should be able to push, pull, or drag anything.

NATIVE BAR CARONA

2015 Gray Stallion • #5664990

Russ and Blaine own Native Bar Carona (aka Bravo). I just borrowed him last year. LOL! I wanted to try him on three mares I picked out and it worked out so well that I am borrowing him again this year and breeding six to him. I wanted to try a smaller stud with my High Rolling Roanie mares. Bravo has a nice easy disposition and wants his head pat from me every morning.

SWEET SANDY TIVIO

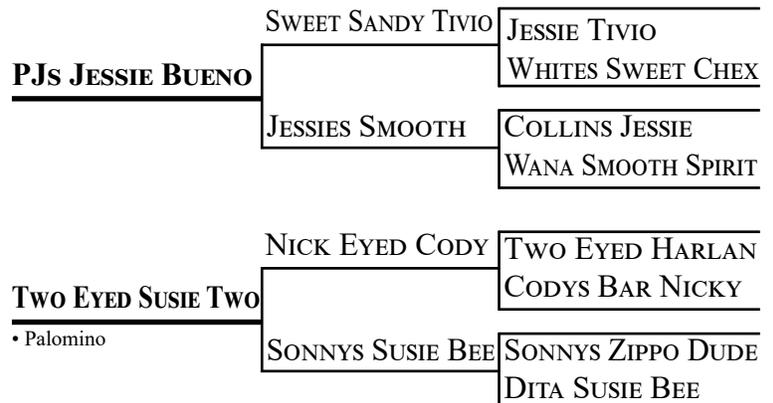

Legendary: remarkable enough to be famous; very well known! After talking to all the people that have offspring of JB, we at TC Quarter Horses are convinced that this stallion is Legendary! We are so very fortunate to have him on our place. He is a true gentleman, passing on great color and the most trainable foals out there. He has a very impressive pedigree that dates back to some of the greats in the industry! If you're into Foundation Quarter Horses, he is 96.06%. At age 24, he still is going strong! You won't find many like him! Thanks again to the Silhas for giving us the opportunity to own him!
